

**Easy Self Storage** provides a range of storage options for you whether you are moving house, redecorating, simply short of space at home.

Remove all your clutter from your home before putting it on the market and help add value to the sale price of your home. You can vacate your unit as soon as your new home is ready.

If you are a student don't take it with you, store it with us and it will be ready when you get back.

If you are in business and need some temporary storage space for, excess stock, marketing material or to make room back at the office, then consider a self storage unit, with flexible terms and different sizes, we are sure to have the right unit for your enterprise.

**Remember:** ☐ **You store it and You keep the key.**

Our site is fully secured with our extensive Intruder Alarm and CCTV system including 24 Hour monitoring and immediate alarm activation ensuring that your goods are kept safe at all times.
